<u>Undated notes on Design elements, original in own hand</u>

1. Design is the common
denominator of all
the arts - without it
mans expression in
any medium may be
informative, may
exhibit technical
mastery, but it
<u>cannot be Art</u>

3. The good <u>Craftsman</u>
expresses the essential
qualities of Design
in his individual
medium

2. Design is the organization
of all the elements into
visual harmony -
